

Khairul Alam Prachir

Full-Stack Developer (MERN) | BBA in MIS | Seeking Web Dev Internship

+8801863674523 | kaprachir23@gmail.com | github.com/KAprachir | linkedin.com/in/khairul-alam-prachir | Dhaka, Bangladesh

CAREER OBJECTIVE

Final-year BBA student in Management Information Systems at Begum Rokeya University, Rangpur, with hands-on experience building full-stack web applications using the MERN stack. Seeking a web development internship (Oct-Dec 2026) where I can contribute to real products, grow as a developer, and apply both my technical skills and business-technology understanding.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3

Frontend: React.js, Next.js (App Router), Tailwind CSS, HeroUI, DaisyUI, Framer Motion

Backend: Node.js, Express.js

Database: MongoDB (Native Node Driver)

Authentication: Better Auth, JWT, Google OAuth 2.0, Bcrypt

Payments: Stripe Checkout & Subscription API

Tools & Platforms: Git, GitHub, Vercel, Render, VS Code, Figma

Other: REST APIs, JSON, Microsoft Excel, Microsoft Word

Interpersonal: Problem Solving, Team Collaboration, Communication, Business Operations, Adaptability

PROJECTS

RecipeHub — Full-Stack Recipe Sharing Platform

Live: <https://recipehub-client-kappa.vercel.app> | GitHub: <https://github.com/KAprachir/recipehub-client>

Tech Stack: Next.js, Node.js, Express.js, MongoDB, Better Auth, Stripe, Tailwind CSS, HeroUI, Vercel

- Built a full-stack recipe platform with role-based access for normal users and admins, supporting recipe publishing with a 2-recipe limit for free users unlockable via Stripe premium subscription
- Implemented MongoDB \$in filter system with dynamic category filtering, pagination, and real-time likes/favorites toggle
- Developed a complete admin panel with user management, recipe moderation, reports handling (spam/offensive/copyright), and Stripe transaction logs
- Integrated Better Auth with Google OAuth and credentials provider using cookie-based session handling

HireLoop — Full-Stack Job Marketplace & Career Platform

Live: <https://hire-loop-client-eta.vercel.app> | GitHub: <https://github.com/KAprachir/HireLoop-Client>

Tech Stack: Next.js, Node.js, Express.js, MongoDB, Better Auth, Stripe, Tailwind CSS, HeroUI, Vercel

- Built a three-role platform (Seeker, Recruiter, Admin) with separate dashboards, dynamic metrics, and role-specific feature access
- Developed a custom Applicant Tracking System (ATS) allowing recruiters to move candidates through pipeline stages (Applied to Under Review to Shortlisted to Offered/Rejected)
- Implemented Stripe subscription tiers for seekers and recruiters with job publishing limits based on plan
- Built admin panel with company registration vetting, user permission controls, and financial analytics dashboard

IdeaVault — Full-Stack Startup Idea Sharing Platform

Live: <https://assignment-9-client-prachir.vercel.app> | GitHub: <https://github.com/KAprachir/assignment-9-client>

Tech Stack: Next.js, Node.js, Express.js, MongoDB, JWT, Google OAuth 2.0, Bcrypt, Tailwind CSS, Vercel

- Built a collaborative platform for sharing and validating startup ideas with nested comment system (add, edit, delete)
- Implemented stateless authentication using JWT paired with Google OAuth 2.0 with bcrypt password hashing

- Added real-time client-side search by title with instant category filtering and dark/light mode with localStorage persistence

PROFESSIONAL EXPERIENCE

Owner & Manager — Foodie Kitchen, Rangpur | Jul 2024 - Dec 2025

- Founded and operated a local restaurant business managing daily operations end-to-end
- Handled procurement, inventory, staffing, and customer service coordination
- Developed practical skills in budgeting, business decision-making, and operations management

Office Assistant — Alam and Brothers, Dhaka | Feb 2021 - Jul 2024

- Managed import product data and business documentation using Microsoft Excel and Word
- Maintained accurate records for suppliers, transactions, and inventory tracking

EDUCATION

BBA in Management Information Systems — Begum Rokeya University, Rangpur (BRUR)

Feb 2023 - Dec 2026 (Expected) | CGPA: 3.40 / 4.00

CERTIFICATIONS

- AI Fluency for Students — Anthropic Academy
- Introduction to Front-End Development — Meta (Coursera)

LANGUAGES

Bengali: Native | English: Professional Working Proficiency
